***Early Educator Certification (EEC)***  
***The Next Step in Professionalizing the Field***

Become part of the growing professional certification system. EEC is open to all NC Early Educators working directly with, working on the behalf of, or intending to work with children ages birth to twelve!

The comprehensive application may be used by all of us....faculty, professional development providers & coordinators, teachers, consultants, trainers, assistants, Smart Start & Child Care Resource & Referral Executive Directors, staff of state early childhood agencies and programs, early childhood associations members and staff and more!

What is EEC? EEC is North Carolina's certification system for Early Educators. EEC is an acknowledgement of an individual's verified level of educational achievement, based on a standardized scale. Education is the basis for EEC. Education is coursework taken at a **regionally accredited** college or university. All public community colleges and universities in North Carolina are regionally accredited. EEC does not replace teacher licensure and is designed to complement that process.

**How much does it cost?**

EEC is a self-supporting system, which has been created with funding from private and public sources with a goal of being funded primarily by individual fees when fully implemented. EEC fees are aligned with charges required by similar NC professions. The cost for an initial review is \$50. The fee for EEC recertification is \$25, if completed prior to the issued expiration date.

**How do you apply?**

- Complete and sign your application.
- Attach all official transcripts (for degrees and individual courses) to your application.
- Attach a check or money order
- Make a copy of all materials for your files.

**Mail to: NC Institute for Early Childhood Professional Development**  
**PO Box 959**  
**Chapel Hill, NC 27514**

A sealed certificate and an individual card will be mailed to you noting your official EEC level.

Note: Participants must attend part 1 and 2 with completed assignment to get training certificate.
